### Seymour High School Parking Regulations

1. Vehicles must be registered in the school office. A current Seymour High School parking permit must be hung from the rear view mirror to be able to park on property.
2. Vehicles are to be unoccupied once they have been parked.
3. All student vehicles are to be parked in the stadium parking lot unless directed to park in another area by a school official. Students are not to park on Community Drive or the 300 teacher's parking lot. Failure to follow this directive will constitute insubordination.
4. Vehicles are to be driven in a courteous and safe manner at all times. A speed limit of fifteen (15) miles per hour applies on school property.
5. Vehicles are to be locked.
6. Students are not to go to the parking lot during class periods without permission from a teacher or school official.
7. Vehicles are to be parked properly in the designated parking spaces. Students may not park in a painted spot that has been purchased by a senior courtesy of the Dance Marathon Fundraiser. When vehicles are not parked properly in the designated parking spaces or not displaying their parking permit, the student will face disciplinary action.

This space is reserved for school use only.
