**Course Description:** *Preparing for College and Careers* addresses the knowledge, skills, and behaviors all students need to be prepared for success in college, career, and life. Students will explore personal aptitudes, interests, values, and goals by participating in various career and personality assessments. This course includes reviewing Indiana's College and Career Pathways, an in-depth investigation of one or more pathways, reviewing graduation plans, developing career plans, and developing personal and career portfolios. In addition, students will tour SHS and see the many CTE programs we offer like Welding, Precision Machining, Business, Agriculture, Construction, Manufacturing, and Family & Consumer Science.

Course Request forms and Summer School request forms are due to your school's main office by Monday, January 30th.
